

Last Call for Spring Meeting Registration!

Each spring, ASPI brings together leaders from a wide range of pulp, paper, and packaging industry suppliers to further their knowledge about how best to serve industry customers. The 2019 Spring Meeting will be held **February 20 - 22** in Sarasota, FL. The meeting venue will be the Ritz-Carlton Sarasota. Here's a brief look at the three-day program:

WEDNESDAY: We'll kick off with a Welcome Reception and Dinner to help attendees network with fellow ASPI members and make new connections.

THURSDAY: Following a continental breakfast, we'll have a morning of customer presentations – including the recipient of ASPI's Customer Executive of the Year Award. It's a great opportunity to learn about a key customer's strategic direction from a proven industry leader. Thursday afternoon is reserved for networking activities including golf. A reception and dinner will follow.

FRIDAY: The recipient of ASPI's 2019 Excellence in Leadership Award will again offer an unprecedented opportunity for attendees to hear from executive leadership of a key customer. The morning will also include a Paper Industry Financial Perspective from Rod Fisher of Fisher International, a leading provider of specialized industry intelligence. The afternoon will conclude with an ASPI business meeting, which is open to all attendees.

Easy online registration, venue and travel information, and more is available now at www.aspinet.org. If you would like additional information on ASPI or ASPI meetings, please contact Sarah Lunceford at slunceford@aspinet.org.

Experience the ASPI difference for yourself! Plan on attending ASPI's 2019 Spring Meeting and build stronger relationships with your customers and other supplier industry executives. See you soon!
